

Spacious LIVING
AT REMARKABLE VALUE

DELIVERING TRUST AND VALUE ACROSS INDIA

Astrum Homes, backed by foreign direct investment (FDI), is a dedicated Real Estate Development Company in India, crafting top-tier residential solutions in emerging cities.

At its core, Astrum's mission is to offer customers "Homes you wish for," emphasizing value through practical living, transparent pricing, and reliable services. This translates to "More Value per Square Foot." The company's projects are managed by a seasoned team, led by IIT and IIM alumni, committed to continuous improvement through innovation and rigorous process controls.

Astrum's development philosophy centers around the "3 Cs" – Certainty in delivery timelines, Convenience in living amenities, and Cost-effectiveness in every purchase. Their experience has shown that efficient design and quality execution of practical specifications and amenities provide more value than extravagant features.

Astrum currently operates in Bangalore, Chennai, Mysore, and Panipat.

Sierra, named after the mountain range, is a project designed to create a diverse and nature-loving community. We offer a wide range of apartment options, including 1, 1.5, 2, 3, and 4 BHK units, ranging from 593 sqft to 2049 sqft. Nestled in Mangadu, in proximity to the serene Kamakshi Tapas Temple, Sierra aims to bring the tranquility of living close to nature.

Each meticulously designed home within the Nilgiri, Yercaud, Yelagiri, Munnar, and Kodai Towers offers ample space for serene living. The upcoming Kattupakkam Metro Station adds vibrancy to the neighborhood, making Sierra an ideal place for you and your family to experience complete joy.

To facilitate this, Sierra is equipped with a range of features and amenities.
